
Jeff Damron DDM – DIRECTOR OF DESIGN

Over the last 29 years, Jeff has performed master planning and design services for residential, entertainment, retail, commercial and hospitality projects totaling in excess over 10 million square feet. These projects have included location-based entertainment (LBE) venues, hotels and resorts, entertainment centers, casinos, shopping centers, and restaurants. In addition many of the projects were mixed-use and included residential and has been a design lead for projects on the forefront of entertainment. His global experience also includes major destination projects and theme parks in the United States, Europe and Asia. Jeff is responsible for overall programming, project design and coordination of consultants from project inception through completion. He has been a past and current member of major associations such as:

- Associate Member, American Institute of Architects (AIA)
- International Association of Amusement Parks & Attractions (IAAPA)
- Themed Entertainment Association (TEA)
- World Waterpark Association (WWA)
